Note: Cabin crew are NOT authorised to give special assistance to particular passengers, to the detriment of their service to other passengers.

Cabin crew are employed as food handlers and are therefore UNABLE to assist with toileting needs. They are trained in FIRST AID procedures only and are NOT PERMITTED to administer any injection, or give medication. Please ensure the passenger has all the necessary help via their travel companion/escort.

IMPORTANT Fees: If any costs are incurred for the provision of specific equipment, these must be met upon demand by the named passenger.

DOCTOR DECLARATION

- I understand the final decision for passenger acceptance for travel rests with Air New Zealand alone.
- I have read and understood PART 3 of the Air New Zealand MEDA (Medical Guidelines for Doctors).
- In my opinion, this person is safe to undertake the proposed flights, is free from communicable disease, and is not likely to affect the safety or wellbeing of other passengers or crew.
- I agree that the services requested above are appropriate in the circumstances. This passenger is able to take care of their own meals, transfers, personal hygiene, medication and other needs in flight (or is escorted by someone who can assist with all these needs).
- Where an ESCORT is required, I believe they are qualified and have all necessary equipment to deal with the patient’s needs and any likely complications during the journey.
- I have enclosed a recent detailed MEDICAL REPORT for serious cardiopulmonary cases, cases requiring hospital transfer, terminally ill passengers, those requesting continuous oxygen or stretchers, and other complicated or potentially serious medical cases.
